There was no old business.

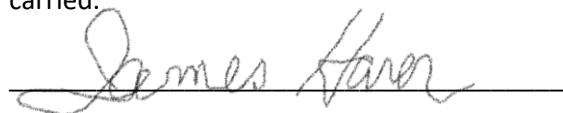

New business: After some discussion about changing the day of the monthly board meeting it was decided to table any changes.

Open discussion: Justin Kampin asked if there was anything the town could do to increase funding for needed road improvements. He felt that we are just not keeping up and roads are getting rough. The town will continue to explore state and federal grants but increasing tax levy only keeps up with inflation.

The 2022 annual minutes were read followed by the 2023 minutes. Motion by Heather Zinda to approve the 2023 minutes as read. Seconded by Sandy Olson. All-Yes, 0-No, carried.

Before the meeting was adjourned Chair Douglas Veenendall presented Ronda Helgeson a plaque and thanked her for 6 years of dedicated service as town treasurer.

Motion by Sandy Olson to adjourn the meeting at 7:45. Seconded by Justin Kampin. All-Yes, 0-No, carried.
